

MANIKANTI ABHINAY

BABU

Data Analyst

manikantiabhinay@gmail.com

9347219285

PROFESSIONAL SUMMARY

In my very limited work experience I was able to develop the experience working in an Agile environment, mobile development experience, knowledge of Mysql and other databases skills necessary for a Data Analyst. This why I am searching for an student position as a Data Analyst. I also possess the necessary knowledge of Microsoft PowerPoint, Microsoft Word, Matlab necessary for this role. I would like this opportunity to show you what I can offer to the company.

HIGHLIGHTS

experience working in an Agile environment	english	attentive to details
mobile development experience	accept feedback	staying up-to-date on industry trends
